PSP/RTKL Request N° 2018-1146

Dear Mr. Maass:

On December 13, 2018, the Pennsylvania State Police (PSP) received your request for information pursuant to the Pennsylvania Right-to-Know Law (RTKL), 65 P.S. §§ 67.101 - 3104, wherein you state:

I hereby request the following records:

- 1) The names of agencies and organizations with which the Agency shares ALPR data;
- 2) The names of agencies and organizations from which the Agency received ALPR data;
- 3) The names of agencies and organizations with which the Agency shares "hot list" information;
- 4) The names of agencies and organizations from which the Agency receives "hot list" information;

This information is easily available within the Agency's LEARN system. The simplest way to extract this data is to generate an "Agency Data Sharing Report" PDF file from within LEARN. To do this, a user may simply go to the "Sharing" section of LEARN and select "Output Report." A CSV/XLS file containing these records would also satisfy this request.

The instructions for extracting this data is described on pages 62-63 of the LEARN Agency Manager Guide, which may be found at this link:

https://www.documentedcloud.org/documents/3860685-LEARN-5-1-Agency-Manger_Guide.html

An example of this record may be found at this link:

<https://www.documentcloud.org/documents/3936113-Palos-Verdes-Estates-Police-Department-Data.html>

A number of other agencies have regularly determined the above information constitutes a public record and have provided an "Agency Data Sharing Report." These agencies include:

Anaheim Police Department, Antioch Police Department, Bakersfield Police Department, Chino Police Department, Clovis Police Department, Elk Grove Police Department, Fontana Police Department, Fountain Valley Police Department, Glendora Police Department, Hawthorne Police Department, Irvine Police Department, Livermore Police Department, Lodi Police Department, Long Beach Police Department, Montebello Police Department, Orange Police Department, Palos Verdes Estates Police Department, Red Bluff Police Department, Sacramento Police Department, San Bernardino Police Department, San Diego Police Department, San Rafael Police Department, San Ramon Police Department, Simi Valley Police Department, and the Tulare Police Department.

We further request the following records

The aggregate number of "detections" (i.e. license plate scans and associated data) collected during 2016.

The aggregate number of detections collected during 2017.

The aggregate number of detections collected during 2018.

The aggregate number of "hits" (i.e. times that a plate on a hotlist was detected) during 2016.

The aggregate number of "hits" during 2017.

The aggregate number of "hits" during 2018.

This information is easily available within the Agency's LEARN SYSTEM. The simplest way to extract this data is to generate a "Dashboard Hit Ratio Report" PDF file from within LEARN. We would prefer the data for each year to be provided separately.

An example of this document may be found at:

<https://www.documentcloud.org/documents/3870802-Sacramento-PD-Hit-Ratio-Rpt-010112-051917-Redacted.html>

The instructions for extracting this data is described on pages 78-79 of the LEARN Agency Manager Guide, which may be found at this link:
<https://www.documentcloud.org/documents/3860685-learn-5-1-Agency-Manger-Guide.html>

The following agencies have regularly determined the above information constitutes a public record and have provided an "Dashboard Hit Ratio Report." These agencies include:

Anaheim Police Department; Bakersfield Police Department; Chino Police Department; Clovis Police Department; Elk Grove Police Department; Fontana Police Department; Irvine Police Department; La Habra Police Department; Laguna Beach Police Department; Lodi Police Department; Sacramento Police Department; San Diego Police Department; San Ramon Police Department; and the Red Bluff Police Department.

The requested documents will be made available to the general public and this request is not being made for commercial purposes.

Under the RTKL, a written response to your request is due on or before December 20, 2018.

Under the provisions RTKL section § 67.902(b)(2), you are hereby notified that your request is being reviewed and the PSP will require up to an additional 30 days, i.e., until January 22, 2019, in which to respond to your request. Should your request be granted, the total for the estimated or actual fees owed, if any, will be included in our subsequent response. The reason for requiring additional time for a final response is checked below:

- ☐ Compliance with your request may require the redaction of certain information that is not subject to access under RTKL.
- ☐ Your request requires retrieval of one or more records that are stored at a remote location.
- ☐ A response by the mailing date of this letter could not be accomplished due to bona fide staffing limitations. In particular, _____.
- ☐ Your request is under legal review, which is necessary to determine whether a requested record is a "public record" for purposes of the RTKL.
- ☐ Your compliance with the following agency policies is required for access to the record(s): _____
- ☐ You must pay the applicable fees authorized by the RTKL.

X The extent or nature of the request precludes a response within the required time period.

Should you have any questions regarding this letter, please contact the undersigned.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'W. A. Rozier', written over the typed name.

Police Department, San Diego Police Department, San Rafael Police Department, San Ramon Police Department, Simi Valley Police Department, and the Tulare Police Department.

We further request the following records

The aggregate number of "detections" (i.e. license plate scans and associated data) collected during 2016.

The aggregate number of detections collected during 2017.

The aggregate number of detections collected during 2018.

The aggregate number of "hits" (i.e. times that a plate on a hotlist was detected) during 2016.

The aggregate number of "hits" during 2017.

The aggregate number of "hits" during 2018.

This information is easily available within the Agency's LEARN system. The simplest way to extract this data is to generate a "Dashboard Hit Ratio Report" PDF file from within LEARN. We would prefer the data for each year to be provided separately.

An example of this document may be found at: <https://www.documentcloud.org/documents/3870802-Sacramento-PD-Hit-Ratio-Rpt-010112-051917-Redacted.html>

The instructions for extracting this data is described on pages 78-79 of the LEARN Agency Manager Guide, which may be found at this link:

<https://www.documentcloud.org/documents/3860685-LEARN-5-1-Agency-Manager-Guide.html>

The following agencies have regularly determined the above information constitutes a public record and have provided an "Dashboard Hit Ratio Report." These agencies include:

Anaheim Police Department; Bakersfield Police Department; Chino Police Department; Clovis Police Department; Elk Grove Police Department; Fontana Police Department; Irvine Police Department; La Habra Police Department; Laguna Beach Police Department; Lodi Police Department; Sacramento Police Department; San Diego Police Department; San Ramon Police Department; and the Red Bluff Police Department.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 5 business days, as the statute requires.

Sincerely,

Dave Maass
